# MULTI USE GAMES AREA

St. Brigid's National School  
Killoughter, Redhills, Cavan

## GOAL OF THIS FUNDRAISER

In 2019, St. Brigid's National School was awarded a LEADER grant to construct a Multi Use Games Area.

The overall cost of the project will be €137,089.55. LEADER will fund 75% (€102,817.16) and St. Brigid's National School will fund 25% (€34,272.39).

Funds raised from this fundraising initiative will go towards funding the remaining 25% of the LEADER Grant.

Work has already commenced on this project. With your help this facility will be fully operational by October 2020.

## CORPORATE DONATIONS

There are also opportunities for businesses, entrepreneurs or indeed family groups associated with the school to purchase tree branches or the tree trunk. Interested parties should contact the school directly to discuss the options available.

## WE NEED YOUR HELP

### TREE MURAL

We have painted a tree mural on the wall at the entrance to our school. We are inviting families to buy a 3D leaf, which will be engraved and placed on our tree.

### €150 LEAF

This leaf is for families who wish to support the construction of a Multi Use Games Area at St. Brigid's National School.

### €100 LEAF

This leaf is for families who currently have children attending St. Brigid's National School. This leaf is discounted to acknowledge the significant financial contributions these families make to the school each year, to bridge the gap between the cost of running the school and the grants supplied by the Department of Education.
