My Iconic Image

The 1st photo I have attached is of Redhills very own Shannonwood to represent all the forest walks, tree climbing and adventures we have experienced over the last few weeks. Other walks included Castlesaunderson, Cladagh Glen and Dun Na Rí forest park (before the 2km restrictions of course). Allowed us to appreciate the beauty on our doorsteps. The photo also represents the beautiful weather we have experienced over the last few weeks, with the blue sky evident. The weather has certainly made the “Staying at home” an awful lot easier.

My Iconic Image

The 2nd photo is to represent all the different sporting activity the kids have enjoyed including Gaelic, Soccer, Basketball, Rugby, Golf and Cycling. They have had great fun and spent lots of time outside. Joe Wicks unfortunately wasn't available for the photo due to social distancing 😊

My Iconic Image

The 3rd photo is of the gates closed to our home. This may seem like a strange one but it is certainly strange to us to have them closed. I suppose they represent a few things that we have been asked to do as a result of COVID-19 including, Staying at home, staying apart and social distancing. We have had many chats at these gates with neighbours and family who have been out for their daily exercise, while at the same time maintaining the social distancing requirements. Everyone had time to stop and talk and even a 5 minute conversation made a difference to everyone's day. The gates will be opened again when this is all over and we will have a massive welcome for all our family and friends.

Video message

We have been asked to send a letter or a video to our future-selves this week for the digital time capsule.

Photographer

- The first photo is a picture of a willow tree in the garden.
- The second one is a tree that was given to me from my Godmother and it was planted on the day I was christened. It is struggling to grow but we are not giving up on it.
- The final one is taken in a den that the we have created for ourselves behind our back garden. I spend a lot of time climbing trees.
