My New Skills

I have been very busy learning new skills during lockdown.

I helped lots with the garden maintenance during the great weather, learning how to rake up the excess leaves and how to paint the fence. I am sure these skills will be handy in the future.

I started learning how to play the guitar in December 2019 however, I have continued to learn during COVID-19 by doing online lessons with my teacher. I really enjoy playing and hopefully this will be a lifetime skill.

I have done loads of artwork during the lockdown. I followed different steps from various websites on how draw different characters, but I also just done some freestyle drawing.

I done a small bit of baking, some buns and scones. I enjoyed eating them more than baking.

I started playing golf just before lockdown and I am disappointed that I haven't been able to go to the golf course. I have practiced loads in my garden so I hope this will pay off in the future. I still have a lot to learn.

Letter to future self...

Hi future Conor. At the moment I am 9 years old. My favourite sports are golf, gaelic and soccer. Also I am learning how to play pop goes the weasel on the guitar. I love to play on the trampoline. My best friend is Ewan Fitzpatrick. Right now I am playing for under 11's gaelic team and in the future, I want to play for redhills Senior football team and hopefully cavan. Some day I want to travel to America to be the right size to go on all the roller coasters. My biggest fear is killer clowns. I would love to watch Rory McIlroy play live someday. I love the team Newcastle, their owner is very rich and will buy lots of good players.

I hope you had a good childhood
Conor.

My Iconic Image

The 1st photo I have attached is of Redhills very own Shannonwood to represent all the forest walks, tree climbing and adventures we have experienced over the last few weeks. Other walks included Castlesaunderson, Cladagh Glen and Dun Na Rí forest park (before the 2km restrictions of course). Allowed us to appreciate the beauty on our doorsteps. The photo also represents the beautiful weather we have experienced over the last few weeks, with the blue sky evident. The weather has certainly made the “Staying at home” an awful lot easier.

My Iconic Image

The 3rd photo is of the gates closed to our home. This may seem like a strange one but it is certainly strange to us to have them closed. I suppose they represent a few things that we have been asked to do as a result of COVID-19 including, Staying at home, staying apart and social distancing. We have had many chats at these gates with neighbours and family who have been out for their daily exercise, while at the same time maintaining the social distancing requirements. Everyone had time to stop and talk and even a 5 minute conversation made a difference to everyone's day. The gates will be opened again when this is all over and we will have a massive welcome for all our family and friends.

My Iconic Image

The 2nd photo is to represent all the different sporting activity the kids have enjoyed including Gaelic, Soccer, Basketball, Rugby, Golf and Cycling. They have had great fun and spent lots of time outside. Joe Wicks unfortunately wasn't available for the photo due to social distancing 😊
