Family Handprints

These are the handprints of everyone in my family during COVID-19.

I have labelled each of the hands on the photo.

Letter to future self...

What new skills have you learned?

I have learned to drive the lawn mower and the fork-lift
I learned how to use a drill. I am better at soloing the ball with my left foot And I am getting better at rowing

Will you use these skills after lock-down?

Yes. I will use my football skills at football training and at matches and when playing football at school and at my cousins house
I will be able to cut the grass for daddy and I can help daddy in the store getting tiles out
I will to able to go kayaking with mammy

Who taught you your new skill?

Nobody I learned them myself

How long did it take you to learn the new skill?

- For soloing a week or 2
- The drill took me half an hour
- Lawn-mower it took me about an hour to figure it out

If you could pick a new skill to learn what would it be? Why

I want to learn how to drive a tractor and the jeep
So I will know for when I'm bigger
I want to get better at doing a side-step in football so I can be better at football
