Letter to future self...

Dear future self,

Today I am 9 years old.
My Nintendo Switch is
the most important
thing I own.

When I'm older I will be
an actor.

I would like to learn
how to make a VR headset.

I would love to visit
America, see New York
city, San Francisco and
Warner Bros. Studios.

From,
Your past self, Leo.

Don't touch gorse they will hurt you!

This is a baby calf. She belongs to our neighbour.
